

## Big Blue Boat Potato Prints 1

You need a grown - up

### You Need

2 medium sized potatoes

White paper

Paint brushes

water

Knife

Red paint

Dark blue paint

Light blue paint

White paint

## Procedure

Put some light blue paint in a dish and add some water.

Cover the paper with the light blue paint.

Leave the paint to dry.

Cut the potatoes in half.

Leave one potato as it is. this is the boat

Cut a large triangle shape on one. this is the front sail.

Got a small triangle shape on one. This is the back sail.

Cut a circle shape on one. This is the port hole.

Dip the bottom boat shape in the dark blue paint.

Stamp it on the paper.

Dip the large triangle shape in the red paint.

Stamp it above the boat at the front.

Dip the small triangle in the white paint.

Stamp it above the boat at the back.

Dip the circle in the black paint.

Stamp it on the boat to make the port holes.

## Note

Three boats on a page is an example.

For the first time, the child can create one boat.
