

## Paper Plate Boat

You will need a grown up to help cut the paper plate.

### You need:

One large paper plate

Dark blue paint

Light blue paint

Boat template

Glue

Red paint

White paint

Paint brushes

Stanley knife

Long craft stick

## Procedure

Paint half of the plate in light blue.

Paint half of the boat in dark blue.

Let the paint dry.

Paint red stripes on the front sail (A).

Paint the boat (B).

Paint the back sail white (C).

Let the paint dry.

Ask a grown – up to cut the plate along the line where the sea and sky meet.

Cut out the sails and boat.

Glue the sails and boat onto the craft stick.
